Projects

2D Clean up Artist

“ Square Station ”

October 2017- May 2018

My role was to perform cleaning up multiple shots for the film.

2D Animator and Clean up Artist

“ The Classroom ”

June 2018- May 2019

I oversaw 2D character development and animation. I checked others work to insure it met our project guidelines and stayed within the timeline . Project was delivered on time and rated one of the top films across senior projects.

2D Animator / Inbetweener/ Clean up Artist

“ Crimson ”

June 2018- May 2019

The task I was assigned was to do inbetweens for multiple shots in the film. Also, I had some days to clean up shots. So we were on schedule to finish the film.

2D Clean up Artist

“ Cosmicboy and Toast ”

December 2020 - June 2021

My role was to perform cleaning up multiple shots for an intro show.

Work Experience

Seasonal Indoor/ Outdoor - Costco

November 2019 - January 2020

Inventory replenishment. I ensured the supply of high-moving items was maintained via sales targets. Lead personal shopper experience indoor and outdoors. Skills developed were teamwork, customer engagement and inventory replenishment processes.

Cashier and Inventory - Bed Bath & Beyond

October 2016 - January 2017

Conducted over 150 customers' financial transactions per day. Achieved and often over-delivered on daily targets of executing \$4k in sales per day. Skills developed were suggestive selling, point of sales positioning, teamwork, and customer sales support and administration. I helped my team win by understanding other team member's roles, which allowed me to flow to the work to minimize gaps in capacity. It kept us on target to achieve our goals.
